Cancer waiting time data - printed 24-Aug-03 13:07

Patient data ready to be exported

The numbers in brackets correspond to those on the LCMS waiting time data screen

(1) NHS No. 1234567890 (K111111, RAINEY)

(5) Cancer referral priority type

Urgent referral for suspected cancer from GP

(2) Source of referral for out-patients

referral from GP

(3) Cancer referral decision date

01/06/2003

(6) Urgent cancer referral type

Suspected lung cancer

(4) Referral request received date

01/06/2003

(7) Date 1st seen

05/06/2003

(8) Organisation code (provider 1st seen)

ENF01 - Enfield District General Hospital

(9) Waiting time adjustment (1st seen): _____ day(s)

(10) Reason

- no adjustment to waiting time
- outpatient appointment cancelled by patient
- outpatient appointment patient DNA
- patient choice

(11) Delay reason comment (1st seen)

(12) Delay reason referral to 1st seen (cancer)

- no reason
- clinical cancellation
- outpatient capacity inadequate
- administrative delay
- referral not received within 24 hours
- other reason

(13) Cancer specialist referral date

01/06/2003

(14) Referring organisation code: _____

(15) First seen by specialist date (cancer)

05/06/2003

(16) Organisation code (provider 1st cancer specialist)

ENF01 - Enfield District General Hospital

(17) Clinical intervention date (1st diagnostic test)

09/06/2003 (Bronchoscopy)

(18) Organisation code (provider 1st diagnosis test)

ENF01 - Enfield District General Hospital

(19) MDT discussion indicator

Yes

(20) MDT Date

25/06/2003

(21) Cancer status

diagnosis of cancer confirmed

(22) Primary diagnosis (ICD)

C34 - Malignant neoplasm bronchus and lung

(23) Tumour laterality

Right

(31) Waiting time adjustment (decision to treat): _____ day(s)

(32) Reason

- no adjustment to waiting time
- outpatient appointment cancelled by patient
- outpatient appointment patient DNA
- patient choice

(33) Planned cancer treatment type (1st definitive)

Surgery

(24) Decision to treat date (Surgery)

29/06/2003

(34) Start date (Surgery): _____

(30) Organisation code (provider decision to treat)

ENF01 - Enfield District General Hospital

(40) Organisation code (provider 1st treatment): _____

(41) Waiting time adjustment (treatment): _____ day(s)

(42) Reason

- no adjustment to waiting time
- outpatient appointment cancelled by patient
- outpatient appointment patient DNA
- patient choice

(43) Delay reason comment (decision to treat)

(44) Delay reason comment (referral to treatment)

(45) Delay reason decision to treat (cancer)

- (none)
- clinical cancellation
- outpatient capacity inadequate
- administrative delay
- elective cancellation (for non-medical reason)
- elective capacity inadequate
- delay to diagnostic test(s)
- complex diagnostic pathway
- delay due to referral between Trusts

(46) Delay reason referral to treatment (cancer)

- (none)
- clinical cancellation
- outpatient capacity inadequate
- administrative delay
- elective cancellation (for non-medical reason)
- elective capacity inadequate
- delay to diagnostic test(s)
- complex diagnostic pathway
- delay due to referral between Trusts
