

## Urological Medicine

Its ease of use means that a high quality cystoscopy report can be produced faster than if the same report is being hand-written and a discharge summary dictated.

**And the report can be sent out the same day!**

**If you would like a demonstration or further information please call Unisoft on 0208 367 2103**

If you have Unisoft's GI or Bronchoscopy Reporting Tools with the additional Image Capture software and/or a PAS interface, then the these components can be purchased for the Cystoscopy Reporting Tool at half price.

A sample report is available at [http://www.unisoftmedical.co.uk/pdf/Sample Cystoscopy report.pdf](http://www.unisoftmedical.co.uk/pdf/Sample%20Cystoscopy%20report.pdf)
